OF INDIANA  
IN THE UNITED STATES DISTRICT COURT FOR THE  
SOUTHERN DISTRICT OF INDIANA  
NEW ALBANY DIVISION

HARD DRIVE PRODUCTIONS, INC., CASE No. 4:11-cv-00059-SEB-WGH

Plaintiff,

vs.

MOTION TO QUASH OR MODIFY  
SUBPOENA

DOES 1-21,

Defendants.

\_\_\_\_\_ /

**MOTION TO QUASH OR MODIFY SUBPOENA FOR JOHN DOE 24.12.126.231**

I received a letter from my ISP regarding a subpoena, which included a copy of the original complaint.

From accounts of previous defendants of Steele Hansmeier, these subpoena notifications are followed by demand letters. These letters -- which demand around \$2900 to avoid dealing with their lawsuit -- and their phone calls, which are persistent, are the reason I am filing this motion, and for this reason, I respectfully request that I be allowed to do so without revealing my personally identifying information.

**INTRODUCTION**

To cut court costs while suing as many individuals as possible, Plaintiff's counsel, Steele Hansmeier is using improper joinders in their mass lawsuits alleging copyright infringement through BitTorrent. These lawsuits include over twenty-thousand defendants in the Northern District of California alone. Steele Hansmeier (Formerly Steele Law Firm, LLC)

also has mass lawsuits in Illinois, including a BitTorrent case nearly identical to this one, *CP Productions, Inc. v. Does 1-300 case 1:2010cv06255*, and in this case the court notes before dismissal:

[I]f the 300 unnamed defendants have in fact infringed any copyrights (something that this court will assume to be the case, given the Complaint's allegations that so state), each of those infringements was separate and apart from the others. No predicate has been shown for thus combining 300 separate actions on the cheap — if CP had sued the 300 claimed infringers separately for their discrete infringements, the filing fees alone would have aggregated \$105,000 rather than \$350.

Later, Judge Milton Shadur writes about Steele Hansmeier's abuse of the litigation system “in more than one way” with its “ill-considered” lawsuit:

This Court has received still another motion by a “Doe” defendant to quash a subpoena in this ill-considered lawsuit filed by CP Productions, Inc. (“CP”) against no fewer than 300 unidentified “Doe” defendants — this one seeking the nullification of a February 11, 2011 subpoena issued to Comcast Communications, LLC. This Court’s February 24, 2011 memorandum opinion and order has already sounded the death knell for this action, which has abused the litigation system in more than one way. But because the aggrieved Doe defendants continue to come out of the woodwork with motions to quash, indicating an unawareness of this Court’s dismissal of this action, 1 CP’s counsel is ordered to appear in court on March 9, 2011 at 9:00 a.m. Counsel will be expected to discuss what steps should be taken to apprise all of the targeted “Doe” defendants that they will not be subject to any further trouble or expense as a result of this ill-fated (as well as ill-considered) lawsuit.

*CP Productions, Inc. v. Does 1-300 case 1:2010cv06255 (dismissed ALL John Doe defendants)*  
In the Northern District of California, these BitTorrent cases which are nearly

identical to the case at hand have also been severed for improper joinder:

*Diabolic Video Productions, Inc. v. Does 1-2099 case 5:2010cv05865 (severed Does 2-2099)*  
*New Sensations, Inc. v. Does 1-1768 case 5:2010cv05864 (severed Does 2-1768)*

And these nearly identical BitTorrent cases in the Northern District of California

---

by the plaintiff Boy Racer have also been severed for improper joinder:

*Boy Racer, Inc v. Does 1-52 case 5:2011cv02329 (severed Does 2-52)*  
*Boy Racer, Inc v. Does 1-71 case 5:2011cv01958 (severed Does 2-72)*

#### ARGUMENT

#### 1) Plaintiff Has Improperly Joined 21 Individual Defendants Based on Entirely Disparate Alleged Acts

The Plaintiff's joinder of 21 defendants in this single action is improper and runs the tremendous risk of creating unfairness and denying individual justice to those sued. Mass joinder of individuals has been disapproved by federal courts in both the RIAA cases and elsewhere. As one court noted:

Comcast subscriber John Doe 1 could be an innocent parent whose internet access was abused by her minor child, while John Doe 2 might share a computer with a roommate who infringed Plaintiffs' works. John Does 3 through 203 could be thieves, just as Plaintiffs believe, inexcusably pilfering Plaintiffs' property and depriving them, and their artists, of the royalties they are rightly owed. . . .

Wholesale litigation of these claims is inappropriate, at least with respect to a vast majority (if not all) of Defendants.

*BMG Music v. Does 1-203, No. Civ.A. 04-650, 2004 WL 953888, at \*1 (E.D. Pa. Apr. 2, 2004)* (severing lawsuit involving 203 defendants).

Rule 20 requires that, for parties to be joined in the same lawsuit, the claims against them must

arise from a single transaction or a series of closely related transactions. Specifically:

Persons . . . may be joined in one action as defendants if: (A) any right to relief is asserted against them jointly, severally or in the alternative with respect to or arising out of the same transaction, occurrence, or series of transactions or occurrences; and (B) any question of law or fact common to all defendants will arise in the action.

Fed. R. Civ. P. 20. Thus, multiple defendants may be joined in a single lawsuit only when three conditions are met:

---

(1) the right to relief must be "asserted against them jointly, severally or in the alternative"; (2)

the claim must "aris[e] out of the same transaction, occurrence, or series of transactions or

occurrences”; **and** (3) there must be a common question of fact or law common to all the defendants. *Id.*

Joinder based on separate but similar behavior by individuals allegedly using the Internet to commit copyright infringement has been rejected by courts across the country. In *LaFace Records, LLC v. Does 1-38*, No. 5:07-CV-298-BR, 2008 WL 544992 (E.D.N.C. Feb. 27, 2008), the court ordered severance of lawsuit against thirty-eight defendants where each defendant used the same ISP as well as some of the same peer-to-peer (“P2P”) networks to commit the exact same violation of the law in exactly the same way. The court explained: “[M]erely committing the same type of violation in the same way does not link defendants together for purposes of joinder.” *LaFace Records*, 2008 WL 544992, at \*2. In *BMG Music v. Does 1-4*, No. 3:06-cv-01579-MHP, 2006 U.S. Dist. LEXIS 53237, at \*5-6 (N.D. Cal. July 31, 2006), the court *sua sponte* severed multiple defendants in action where the only connection between them was allegation they used same ISP to conduct copyright infringement. See also *Interscope Records v. Does 1-25*, No. 6:04-cv-197-Orl-22DAB, 2004 U.S. Dist. LEXIS 27782 (M.D. Fla. Apr. 1, 2004) (magistrate recommended *sua sponte* severance of multiple defendants in action where only connection between them was allegation they used same ISP and P2P network to conduct copyright infringement); *BMG Music v. Does 1-203*, No. Civ.A. 04-650, 2004 WL 953888, at \*1 (E.D. Pa. Apr. 2, 2004) (severing lawsuit involving 203 defendants); General Order, *In re Cases Filed by Recording Companies*, filed in *Fonovisa, Inc. et al. v. Does 1-41* (No. A-04-CA-550 LY), *Atlantic Recording Corporation, et al. v. Does 1-151* (No. A-04-CA-636 SS), *Elektra Entertainment Group, Inc. et al. v. Does 1-11* (No. A-04-CA-703 LY); and *UMG Recordings, Inc., et al. v. Does 1-51* (No. A-04-CA-704 LY) (W.D.

Tex. Nov. 17, 2004), RJN Ex. A, (dismissing without prejudice all but first defendant in each of four lawsuits against a total of 254 defendants accused of unauthorized music file-sharing); Order Granting in Part and Denying in Part Plaintiffs' Miscellaneous Administrative Request for Leave to Take Discovery Prior to Rule 26 Conference, *Twentieth Century Fox Film Corp., et al., v. Does 1-12*, No. C-04-04862 (N.D. Cal. Nov. 16, 2004) (in copyright infringement action against twelve defendants, permitting discovery as to first Doe defendant but staying case as to remaining Does until plaintiff could demonstrate proper joinder).

Plaintiff may argue that, unlike the RIAA cases, its allegations here are based upon use of the Internet to infringe a single work. While that accurately describes the facts alleged in this case, it does not change the legal analysis. Whether the alleged infringement concerns a single copyrighted work or many, it was committed by unrelated defendants, at different times and locations, sometimes using different services, and perhaps subject to different defenses. That attenuated relationship is not sufficient for joinder. See *BMG Music v. Does 1-203*, 2004 WL 953888, at \*1.

Nor does the analysis change because the BitTorrent protocol works by taking small fragments of a work from multiple people in order to assemble a copy. The individual Defendants still have no knowledge of each other, nor do they control how the protocol works, and Plaintiff has made no allegation that any copy of the work they downloaded came jointly from any of the Doe defendants. Joining unrelated defendants in one lawsuit may make litigation less expensive for Plaintiff by enabling it to avoid the separate filing fees required for individual cases and by enabling its counsel to avoid travel, but that does not mean these well-established joinder principles need not be followed here.

CERTIFICATE OF SERVICE

I hereby certify that on 7/18/2011, I served a copy of the foregoing document, via US Mail, on:

Raphael Whitford  
Steele Hansmeier PLLC.  
161 N. Clark St., Suite 4700,  
Chicago, IL 60601
